## First Japanese Minister To Canada Appointed

### TOKIO TO SEND TOKUGAWA TO OTTAWA POST

Grandson of Last of Shoguns Named as First Minister to Canada; Has Had Varied Diplomatic Experience.

Tokio, April 30.—Iyama Tokugawa, former councillor of the Japanese Embassy at London and grandson of the last of the Tokugawa shoguns, was appointed today to the newly created post of Minister of the Japanese Empire in Canada.

Iyama Tokugawa was born March 4, 1884, a son of Prince Iyosa, Tokugawa, chairman of the House of Peers of Japan. He graduated from the Peers' School and the law college of the Tokyo Imperial University, and was appointed a diplomatic probationer in 1909, in which year also he married Nao-Ko, sister of Prince Tadasi Shimmura. Iyama Tokugawa's career includes four years, 1909-13, attached to the Japanese Embassy in London, 1909, in which year also he married Nao-Ko, sister of Prince Tadasi Shimmura. Iyama Tokugawa's career includes four years, 1909-13, attached to the Japanese Embassy in London, 1909, in which year also he married Nao-Ko, sister of Prince Tadasi Shimmura.

Some months ago Hon. Herbert Marler was named Canada's first Minister to Japan.

### TWO SURVIVORS OF LOST VESSEL WASHED ASHORE

Capt. of Ss. Viking, Which Sank in Philippine Waters, Telegraphs Manila

Manila, April 30.—Charles Olsen, veteran captain of the ill-fated Philippine inter-island steamer Viking, which caught fire and exploded last Sunday, was ashore on Panguil Island in Visayas Sea, after being twenty-three hours in the water.

Olsen telegraphed to Manila to say that the cabin boy of the Viking also had been washed ashore on the island, as had been the body of the second mate.

### SPRING ADDS CONFIDENCE IN BUSINESS FIELDS

Toronto Mail and Empire Quotes Canadian Newspaper Leaders' Views

Toronto, April 30.—"The Spring of 1929 opens with Canada contemplating a markedly optimistic outlook in almost all lines of business, with building showing strength and agricultural, industrial, mining and transportation developments promising much for this year and the future," said The Toronto Mail and Empire in a news page article this morning.

"This is the conclusion to be drawn from a coast-to-coast survey conducted by The Mail and Empire by means of a series of interviews obtained from visiting daily newspaper executives and publishers of Canada who are here for the annual meetings of the Canadian Press and the Canadian Newspaper Association."

"Newspapermen interviewing are not unusual. Newspapermen interviewed are a rarity, a fact which was demonstrated by the response which was characteristic of every publisher seen by The Mail and Empire Saturday, Sunday and yesterday.

### NEW FIGURES FOR C.N.R. DEBATED

President Addresses Commons Committee Considering Financial Reorganization

Ottawa, April 30.—The corporate deficit of the Canadian National Railways amounts to \$472,244,137, representing the accumulated deficits of all the constituent roads which were taken into the consolidation and going back as far as the creation of the Intercolonial Railway.

The committee inquired into many items in the C.N.R. accounts and when they are next taken up a statement will be presented by Sir Henry Thornton, president. This sum would be taken into consideration when the problem of refinancing and re-creation of the financial structure of the National lines was presented, he said. A big part of the difficulty in connection with working out the new financial structure lay in arriving at an accurate figure that would represent the real accrued deficit.

### DIAL PHONES IN VICTORIA SOON

Replacement of Present Sets to Be Commenced This Fall

New automatic telephone equipment, worth over \$500,000, for installation in Victoria during the coming year, is now in process of manufacture in Liverpool, England.

The first shipments of the new apparatus will be units for placement in the homes and offices of subscribers. These are expected to begin to arrive in Victoria early in August.

### M.P.'S CONSIDER CHANGES IN CANADIAN GRAIN ACT

U.S. TO SWEDEN FLIGHT PLANNED

Clapton, Pa., April 30.—Parker D. Cramer, who recently flew from Nome, Alaska, over Eastern Siberia, plans to make a second attempt next month to fly from the United States to Sweden, his mother, Mrs. Fannie D. Cramer, here said he had advised her. Cramer told his mother he and Bert Hassell would attempt the flight to Sweden during the latter part of May.

### CRAMER PLANE FLIES OVER B.C.

Telegraph Creek, B.C., April 30.—Parker D. Cramer and W. S. Gamble, famed States aviators, passed Telegraph Creek at 10:20 a.m. today, having covered about one-quarter of the distance between Atlin, B.C., their taking off point this morning, and Prince George, where they may stop to-night. They are bound from Nome, Alaska, to New York.

### King's Horse To-day Newmarket Winner

Newmarket, Eng., April 30.—King George had his first racing success of this season to-day with the victory of his horse, Magnabonum, in the Thoroughbred Handicap over a mile and a half.

### SOFIA, BULGARIA, SCENE OF BIG FIRE

Sofia, Bulgaria, April 30.—The quarters occupied by the Bulgarian Chamber of Deputies were a mass of smouldering ruins to-day after an immense fire last night which consumed the great hall and almost the entire building.

## New Move to Outlaw Poison Gas in War

Geneva, April 30.—(Canadian Press Cable via Reuters).—On behalf of Great Britain, Australia, South Africa, New Zealand and the Irish Free State, Lord Cusheford, British Under-Secretary for Foreign Affairs, announced at today's session of the Preparatory Disarmament Commission of the League of Nations that those nations of the Empire would ratify the Geneva Protocol of 1925, prohibiting the use of poison gas in war, providing other powers also would ratify the treaty.

Dr. W. A. Riddell, Canadian advisory officer at Geneva, announced the Canadian Government intended to submit to Parliament a proposal to ratify the Protocol, subject to reciprocity with Great Britain.

The commission decided to adjourn consideration of the proposals in regard to maximum naval armaments. The British Empire and the United States accepted limitation of naval effect only if it should be generally accepted and a satisfactory agreement should be reached in regard to the limitation of warships.

The United States Government, author of the Protocol, has not yet ratified it, it is understood here.

### Many Timber Workers In Australia Are Idle

Melbourne, Aus., April 30.—Fifteen thousand men will be unemployed by Saturday in the timber mills and building trades of Southeastern Australia. Building trade employees disregarded the ultimatum of the employers to man all jobs by yesterday and all building operations would cease forthwith. Simultaneously the timber merchants decided to stop all timber supplies.

The trouble arises from a recent strike of the timber workers which lasted for many weeks. When the strike was ended the workers "black-listed" a number of concerns which had been employing volunteer labor. The employers demanded all operations be manned or all would cease.

### POLICE OF EUROPE TAKE STEPS FOR MAY DAY PEACE

London, April 30.—Unusual police measures were the order in almost every capital of Europe today and to-morrow in anticipation of May Day labor and communist disturbances.

London and Paris were regarded here as especially liable to disorders on the fete day of the Third International.

### HIS SHARE IN MEXICAN REVOLT MAKES HIM EXILE

GEN. FAUSTO TOPEPE  
former Governor of the State of Sonora, is a refugee to-day in Nogales, Arizona. To avoid capture by the federal forces he fled last night across the border into the United States.

### Fire Destroys Shawnigan Lake Boarding House

Shawnigan, April 30.—The boarding house of the Shawnigan Lake Lumber Company caught fire and was damaged yesterday afternoon. A westerly wind took the flames away from the mill. The efficient fire brigade of the mill and the fire department of the town saved a very threatening condition. Most of the contents of the house were saved. Some of the boarders lost a few personal effects.

W. Munroe, old yeoman settler, leading the men and the whole neighborhood turned out to render assistance.

### BRIDGE IS TO COST \$40,000

B.C. Ministers Outline Plans For District of Hazelton

Vancouver, April 30.—Settlement of the Hazelton bridge dispute is in prospect. Hon. R. W. Bruhn, President of the Council, announced today on his return here with Hon. W. A. McKenzie, Acting Minister of Public Works, from a visit to the North.

Instead of the proposed new high level bridge about halfway between Old and New Hazelton to replace the two local bridges, it is now proposed to build a low level bridge near New Hazelton at a cost of about \$40,000 instead of \$165,000. The present bridge at Old Hazelton still has several years' life and will not be affected. The old high level cable bridge at New Hazelton, which was recently condemned, will be examined at the request of the residents to see if it can be preserved.

While this appears to be the probable solution which meets the government's wish for economy and at the same time fulfills the desire of the two Hazeltons to have their own separate bridges, Mr. Bruhn said the final decision would rest with Hon. N. S. Lougheed, the Minister in charge of the department, who has not yet returned from his trip to Great Britain.

In Prince Rupert Mr. Bruhn said a request for extension of the road eastward was heard and it was arranged to have engineers make a survey for a relocation of the route on a less costly basis.

### Ravinsky Trial In Saskatchewan Starts

Maple Creek, April 30.—Unaffected as the formal charge of murder was read, Herman Ravinsky, alias Revin, of Hamilton, Ont., today began his trial before Mr. Justice W. E. Knowles this morning charged with the murder of David Katz of Toronto ten or twelve miles northwest of Carmichael on or about June 10 last. Ravinsky's trial assumes exceptional proportions in that seventy-eight witnesses have been called in all over Canada, for the prosecution alone.

### BOARD WILL INVESTIGATE GRAIN HERE

Saskatchewan Royal Grain Inquiry Commission Hold First Session To-morrow

Chief Justice J. T. Brown and Members of Board Reached Victoria To-day

The Saskatchewan Royal Grain Inquiry Commission, empowered by the Saskatchewan Government last November to investigate the whole question of production and handling, marketing and grading of wheat, will hold its first hearing at 10 o'clock to-morrow forenoon in the Court of Appeal Chamber in the Courthouse.

Chief Justice J. T. Brown of the Saskatchewan Court of the Kings Bench, J. A. Stoneman, newly-appointed member of the Board of Railway Commissioners for Canada, and A. T. Proctor, K.C., counsel to the commission, reached Victoria this morning from Vancouver and registered at the Empress Hotel.

Dean W. J. Rutherford of the College of Agriculture, University of Saskatchewan; F. H. Auld, Deputy Minister of Agriculture for Saskatchewan, and Harold F. Thompson, K.C., other members of the Grain Commission, are expected to reach the city to-day from the Mainland.

### CLEARINGS GAIN OVER \$2,100,000 DURING MONTH

Victoria bank clearings for the month ending to-day show a gain of more than \$2,100,000 over the corresponding month of last year.

This represents a gain at the rate of \$70,000 for every day in the month.

The April figures issued by the Clearing House at noon to-day are:

April, 1929 ..... \$12,467,435  
April, 1928 ..... 10,367,413  
April, 1927 ..... 8,935,580

### Streerwitz Heads New Austrian Cabinet

Vienna, April 30.—Dr. Ernst Streerwitz, industrialist and member of the Christian Socialist Party, to-day succeeded in forming a cabinet to replace that of Ignaz Seipel, which resigned nearly a month ago.

### Legation Official Is Assassinated

Brussels, April 30.—While walking along a street to-day Alfonso Arena, Chancellor of the Italian Legation in Luxembourg, was shot and killed. The assassin, who was arrested, is an Italian cobbler named Gina, twenty-nine, a native of Massa Carrara, who recently settled in Luxembourg. He had applied to the legation for certain documents, but his application had been refused.

### No Blame For Death In Raid

Geneva, Ill., April 30.—Roy Smith, the deputy sheriff who shot and killed Mrs. Lillian De King during a prohibition enforcement raid on her home, was exonerated to-day by the Kane County grand jury.

### FISH CRAFT GOES DOWN

Salvage Vessel Is Sent to Grenville Channel Where Boat Sank

Vancouver, April 30.—The forty-foot fishing boat Klemtu Cannery, owned by Todds of Victoria, is reported to have sunk in Grenville Channel, southeast of Prince Rupert, and the Pacific Salvage Company's northern patrol salvage craft Salvage Princess has been dispatched from Prince Rupert to the scene.

The fishing boat is reported to have struck a rock south of Salmon River and gone to the bottom.

This vessel was sometimes confused with the 56-foot fishery tender Klemtu of Canadian Fishing Company's fleet. The Klemtu is engaged on a run between Bella Coola and Butedale.

The power fishing boat Klemtu Cannery, a small craft, carried a crew of two men, who are safe, according to a statement made here to-day at the office of J. H. Todd and Sons Limited. The vessel has been operating out of the Klemtu Cannery, located on the coast about 100 miles south of Prince Rupert.

### MEXICAN REBELS FIGHTING NOW AS GUERRILLA BANDS

Many of Leaders Opposing Government Have Fled to United States Soil

Nogales, Ariz., April 30.—General Francisco Borquez, rebel commander at Nogales, Sonora, crossed the international line at 11 o'clock this forenoon, seeking sanctuary in the United States.

Nogales, Ariz., April 30.—The shattered rebel base of Nogales, Sonora, was the target of three Federal bombing planes this morning. A large number of explosives was dropped and rebel sharpshooters and machine guns trained an anti-aircraft fire on the planes. Whether any damage was accomplished by either side could not be ascertained.

GUERRILLA WARFARE NOW  
Nogales, Sonora, Mexico, April 30.—With many of its leaders on United States soil to-day, the Mexican revolution was fast turning into a war of guerrilla bands. The demoralization of the West Coast army under General Francisco Topete, former Governor of Sonora, was completed yesterday with the surrender of Colonel Miguel Guerrero and 500 soldiers to Federal troops at Ortiz, Sonora, and the flight of Topete, others of his staff and Captain R. H. Polk, a United States citizen, leading the rebel forces, to the United States.

After the departure of General Topete, this Mexican border city was placed under martial law by General Francisco Borquez, who ordered anyone found on the streets after 11 o'clock last night without a pass arrested.

### GERMAN GOLD IS SENT TO NEW YORK

New York, April 30.—A shipment of \$8,000,000 gold from Germany arrived today aboard the liner Hamburg, making more than \$85,000,000 transferred here for German account as a result of the depression of the German mark.

Since March, when the present movement of gold started, \$30,923,000 of the metal has been sent from Berlin to New York.

### LITTLE JOE

### PARLIAMENT'S POWER IS MADE CLEAR BY TEST

Supreme Court of Canada Declares Houses Within Rights in Passing Combines Investigation Measure and Section 498 of Criminal Code, Dealing With Conspiracies.

### RUM TERMS AFFIRMED BY COURT

Mr. Justice W. A. Macdonald Says Vancouver Magistrate's Decision Proper One

Vancouver, April 30.—Convictions by Magistrate H. O. Alexander of John Henderson, George Broder and James Stewart for having an illicit still in their possession at Pocatona Bay, Texada Island, last December were affirmed in the British Columbia Supreme Court here to-day by Mr. Justice W. A. Macdonald.

Applications by way of writs of habeas corpus to quash the convictions were dismissed.

The same conclusion had been reached by the late Chief Justice Hunter, who, however, at the request of the prisoner's counsel, Stuart Henderson, had consented to the hearing of further argument, but before that was done the chief justice died.

Henderson and Broder must serve twelve-month terms in the Okalla jail and pay \$500 fines or remain in prison for an additional six months. Stewart's imprisonment will be for six months.

Mr. Justice Macdonald commented that it would be a travesty on justice if the three men should go free because Magistrate Alexander had been lenient with Stewart so that in his case the fine of \$100 was less than that prescribed by the law.

Chief Justice Hunter had amended Stewart's conviction by deleting the fine.

### THREE SHIPS REPORTED SOLD

Empire Company's Tender For C.N. Ss. Pacific Group Stated Accepted

Vancouver, April 30.—An unofficial report received here regarding the sale of the British Columbia-California fleet of three ships of the Canadian National Steamship Limited is to the effect that the Empire Shipping Company Limited of Vancouver was the successful tenderer.

F. H. Glendenning, head of the Empire Shipping Company Limited, stated he had received no confirmation of the report, but said his company had tendered and hoped to purchase the ships. Should its offer be accepted the service to California would be continued, he declared.

B. C. Keeley, Pacific Coast manager of the Canadian National Steamship Limited, had not received any report of the sale this morning. The deal had been handled entirely by the executive at Montreal, he announced.

It is understood the tender of the Empire Company for the three ships was \$150,000.

The vessels are the Canadian Rover and the Canadian Coaster. The tenderers included the Kingsley Navigation Company, the Coast Steamship Company, the British Columbia and three New York firms.

### Four Are Killed In Drunken Fight

Ashland, Ky., April 30.—Leo Gibson, his wife and a son and Wallace Hannah, were shot to death near Paintsville, Ky., late yesterday in what police believe was a drunken row.

### TO RULE ON LOG REVENUE

Royalty on Part of B.C.'s Exports Attacked in Action in Supreme Court

Vancouver, April 30.—Constitutional validity of the export tax imposed by the Provincial Government on logs from crown-granted areas is to be tested in the British Columbia Supreme Court here to-morrow when trial of the suit of the McDonald-Murphy Logging Company against the Attorney-General of British Columbia begins. The plaintiff asks for a declaration that Section 82 of the Forest Act, first enacted in 1903, is unconstitutional.

Section 82 imposes a tax ranging from \$1 to \$2 a thousand according to grade, on timber cut from land crown granted prior to April 7, 1897, but allows a rebate of all but one cent a thousand when the timber is manufactured into lumber in the Province. It is thus, in effect, an export tax on raw material.

ISLAND INTERESTED  
Most of the E. & N. Railway Belt land, embracing about 2,000,000 acres and said to contain somewhere between 15,000,000 and 25,000,000 feet susceptible to the tax is effected, as well as even larger areas on the Mainland.

The tax was first imposed in 1903, at which time the movement of logs from British Columbia to Washington was of small dimensions. Later, however, it has grown to large dimensions from crown-granted, leased or licensed since 1903 and is not exportable except under special license.

The McDonald-Murphy Company operates an old crown-granted area near Cowichan Lake and exports its cut in Washington after paying the tax. When the tax was first imposed two big operators sought to test its constitutionality, but the Government refused a fiat for a bill of rights.

The present action has been brought without a fiat.

B.N.A. ACT QUOTED  
C. M. O'Brien K.C. and D. N. Hoese, counsel for the logging company, claim the tax is unconstitutional on the ground that under Section 92 of the British North America Act the Province has the power to impose only direct taxes and this tax, although payable by the producer, is added to the purchase price and thus becomes an indirect tax. It is also claimed the tax is not a revenue tax, but in its nature an export tax on raw material, which is alleged to constitute an excise tax, a levy exclusively within Federal jurisdiction.

W. Martin Griffin, K.C., and A. C. Desbarras are acting for the Attorney-General.

### MUNITIONS REPORT DENIED

Berlin, April 30.—Reports from Oulad-Jasser, Chihuahua, Mexico, that Mexican rebels were receiving arms and munitions from Germany were characterized by Government officials here to-day as a "mad idea." The story is completely untrue, they said.

## NANOOSE CLUB PLANS RESORT

Much interest has been aroused in the plans of the Nanoose Club for development of a high class country club on the peninsula overlooking Nanoose Bay. The site provides a magnificent setting for a clubhouse, with views overlooking the waters of the Straits of Georgia, and also offers level tracts suitable for conversion into polo grounds, a golf course and a race track.

The proposed development will occupy the site of the old brickyard and power plant. Much equipment on the location may be made use of by the Nanoose Club in the development of the property.

## AT THE THEATRES

**TWELVE-YEAR-OLD MICKEY BENNETT HAS "DUMMY" ROLE**

When the list of unusual heroes who have suffered for their art is compiled, Mickey Bennett's name should be included.

The clown who laughed while his heart was breaking and the chorus girl who hooped blithely with aching corns had easy lots compared with Mickey, who plays the title role in "The Dummy." Paramount's new all-talking melodramatic comedy which is showing at the Dominion Theatre.

Mickey is twelve years old. But, for almost a week, he had to play dolls with a golden-haired girl! Further than that, he had to keep absolutely quiet most of the time.

This martyrdom occurred during the filming of "The Dummy," in which Mickey acts the part of a make-believe doll. The girl is blue-eyed Yvonne Darr, beautiful to any but the eyes of masculine twelve. She also has an important part in the picture.

**BROADWAY SHOW IS PORTRAYED ON COLUMBIA SCREEN**

What practically amounts to a choice seat at one of Broadway's well-known musical shows falls to every person in the audience at the Columbia Theatre, where "Sally of the Scandals," an FBO picture based on a chorus girl's struggle for fame, is showing. ## Where To Go To-night

ON THE SCREEN

Capitol—"Children of the Ritz," Columbia—"Sally of the Scandals" and "The Crimson City," Playhouse—"Five and Ten Cent Annie," Dominion—"The Dummy."

THE STAGE

Coliseum—"The Little Angel of Hell's Valley," Crystal Garden—Dancing and Swimming.

When three such distinctive comedians as Louise Fazenda, Clyde Cook and William Demarest are combined in one film play, the result is bound to be fun of the fast and furious order. "Five and Ten Cent Annie," the latest comedy in which Warner Bros. have featured this trio is at the Playhouse Theatre this week.

These three funsters romp through a story full of slapstick, uproarious comedy. Miss Fazenda, a clerk at the five and ten, loves Mr. Cook, a street cleaner who later inherits a fortune and a valet. The valet is to inherit the fortune in the event that his master dies unmarried, and he does his utmost to bring about that untoward event.

Others in the cast are Gertrude Astor, Tom Ricketts, Douglas Gerrard and Eddie Haffner. Roy Del Ruth directed.

**LEITCH'S RED WIG POPULAR GUISSE AT THE COLISEUM HERE**

With a play full of fun and good entertainment, the Coliseum Players, under the direction of Raymond "Toby" Leitch, opened the current week at the Coliseum Theatre last evening in a stage presentation entitled "The Little Angel of Hell's Valley."

It is a play especially picked for the talented little company and every individual member of the group gave a fine performance. After playing more serious roles for the last three or four weeks, "Toby" Leitch is back again in his popular red wig and rustic attire. Nothing seems to create quite such a furore at the Coliseum as Mr. Leitch when he appears in his famous red wig.

He can enact the role of a country hick to perfection, and in this kind of a role is always most popular. He has a quaint accent and a winning manner, and in this week's play further strengthens his hold on his numerous friends and admirers.

Miss Leone Weber, dainty leading lady with the company, also has a role suited to her this week. Miss Weber can always be relied upon to give a

**SEAT SALE FOR GLEE SINGERS IS NOW OPEN**

The seat sale for the Westminster Glee Singers is now open at the Royal Victoria Theatre for the four performances commencing Thursday evening.

The manager of the Royal Victoria Theatre advises all music lovers who contemplate hearing one or all of the concerts to secure their tickets early as the demand is already quite heavy.

His Honor Lieut.-Governor of British Columbia will honor the singers with his presence at the opening concert on Thursday evening.

**PRIZE STORY IS BASIS OF PICTURE AT THE CAPITOL**

A fine cast supporting two much-loved featured players makes "Children of the Ritz," the first National film offering at the Capitol Theatre, a real treat in the way of screen entertainment.

This film piece is a excellent, being based on a \$10,000 prize magazine serial.

Jack Muihaff and Dorothy Mackall are co-featured in sparkling roles, the hero as a chauffeur and the heroine as his teasing, romantically-inclined and beautiful employer. James Ford, Kathryn McGuire, Doris Dawson, Edward Burns and Lee Moran are the principal supporting players.

The stage specialists at the Capitol in addition to the big bill of pictures include "Rollo's Wild Oat," "Late of Fanchon and Marco," in a comedy skit; Helen Crenelle, a danceuse, and Eva Conella, Italian coloratura-soprano, in song selections, with Jack Medford, the singing and dancing master of ceremonies, and Chris Wade and his Capitol Theatre concert orchestra, playing "Haddin' Along," a tuneful overture.

**APPEARS WITH GLEE SINGERS**

**MASTER VINCENT PETLEY**

one of the boy sopranos coming with the famous Westminster Glee Singers to the Royal Victoria Theatre for three days, commencing Thursday next.

**To Report On Salaries Paid Technical Men**

Revision upward of the salaries of the technical officers of the Federal Government will be the subject of an early report to Parliament by a specially appointed committee composed of E. W. Beatty, Sir George Parneau and Dr. Murray.

To explain the situation the Professional Institute of the Civil Service has prepared a memorandum setting out the necessity of revision in salaries if the best men are to be retained in competition with private industry and to attract superior new material to the public service.

Comparative tabulations of salaries paid technical and professional men in the public service of Canada and the United States have been prepared, these showing that Canada pays much lower salaries than are effective in the United States for comparable positions.

## College Players Arrive To Give "Rollo's Wild Oat" At Royal To-morrow

The members of the cast of the B.C. University Players' Club arrived in Victoria this afternoon, after having made a successful tour of the lower mainland and Vancouver Island, where they performed their latest success, "Rollo's Wild Oat," before large and appreciative audiences.

Victoria players have the most pleasing recollections of the high standard of performance exhibited by the college artists in former years. With this in mind, the players intend to put forth their very best efforts on Wednesday night when they face the footlights in the Royal Victoria Theatre.

"Rollo's Wild Oat" will be witnessed by many students attending local schools and colleges, parties of pupils from various educational institutions.

pleasing performance, and this week does not disappoint her large following. Miss Ada Daniels and Miss Wallace, Forrest Taylor, Leon Cluff and Lorus Haffner give their usual pleasing performances.

On the screen this week the management presents an all-British picture entitled "Mademoiselle Parley Voo." This film piece is a excellent, being based on a \$10,000 prize magazine serial.

Jack Muihaff and Dorothy Mackall are co-featured in sparkling roles, the hero as a chauffeur and the heroine as his teasing, romantically-inclined and beautiful employer. James Ford, Kathryn McGuire, Doris Dawson, Edward Burns and Lee Moran are the principal supporting players.

The stage specialists at the Capitol in addition to the big bill of pictures include "Rollo's Wild Oat," "Late of Fanchon and Marco," in a comedy skit; Helen Crenelle, a danceuse, and Eva Conella, Italian coloratura-soprano, in song selections, with Jack Medford, the singing and dancing master of ceremonies, and Chris Wade and his Capitol Theatre concert orchestra, playing "Haddin' Along," a tuneful overture.

**SEAT SALE FOR GLEE SINGERS IS NOW OPEN**

The seat sale for the Westminster Glee Singers is now open at the Royal Victoria Theatre for the four performances commencing Thursday evening.

The manager of the Royal Victoria Theatre advises all music lovers who contemplate hearing one or all of the concerts to secure their tickets early as the demand is already quite heavy.

His Honor Lieut.-Governor of British Columbia will honor the singers with his presence at the opening concert on Thursday evening.

**PRIZE STORY IS BASIS OF PICTURE AT THE CAPITOL**

A fine cast supporting two much-loved featured players makes "Children of the Ritz," the first National film offering at the Capitol Theatre, a real treat in the way of screen entertainment.

This film piece is a excellent, being based on a \$10,000 prize magazine serial.

one of the boy sopranos coming with the famous Westminster Glee Singers to the Royal Victoria Theatre for three days, commencing Thursday next.

**To Report On Salaries Paid Technical Men**

Revision upward of the salaries of the technical officers of the Federal Government will be the subject of an early report to Parliament by a specially appointed committee composed of E. W. Beatty, Sir George Parneau and Dr. Murray.

To explain the situation the Professional Institute of the Civil Service has prepared a memorandum setting out the necessity of revision in salaries if the best men are to be retained in competition with private industry and to attract superior new material to the public service.

Comparative tabulations of salaries paid technical and professional men in the public service of Canada and the United States have been prepared, these showing that Canada pays much lower salaries than are effective in the United States for comparable positions.

Coast to the Interior, which the man made to advance his Coast railway scheme.

Mr. Bogg's talk will take the form of some personal reminiscences of the well-known figure prominent in political circles here in the early days. The meeting will commence at 8 o'clock and will be open to the public without any charge.

**Pioneers of B.C. Form Interesting Topics For Talks**

Two addresses, one on the Waddington Trail, by R. L. Reid, K.C. of Vancouver, and another on "What I Remember of Hon. Amos de Cosmes," by Beaumont Bogg, will be given at the British Columbia Historical Association meeting at the Provincial Archives on Friday evening.

Mr. Reid has delved into all material available on Waddington in the archives and has woven a fascinating story around the early exploration from the

**Realty Board Officers to Be Installed**

Installation of new officers will be a feature of the annual general meeting of the Real Estate Board of Victoria, to be held to-morrow to 12:30 p.m. in the Chamber of Commerce.

Stewart G. Clark has been elected president of the organization; succeeding Major H. Cuthbert Holmes. Other new officers are: First vice-president, Robert Musgrave; second vice-president, Major M. Kirkpatrick-Crockett; secretary, Hubert Lethaby (re-elected); executive (including above) Joseph Bridgman, Alfred Carmichael, James Forman, R. H. B. Ker, Major H. G. Holmes and A. R. Wolfenden.

Mayor Herbert Anscomb, Reeve William Crouch, of Saanich; Reeve E. C. Hayward, of Oak Bay, and Reeve James Erick, of Esquimalt, have been invited to attend the meeting.

A report by the outgoing president and the adoption of annual accounts will be other business transacted.

**WAR VETERAN ENDS LIFE**

Vancouver, Wash., April 29.—George B. Hedley, thirty-nine, World War veteran, shot and killed himself at the home of his sister, Mrs. Ernest Anderson, at La Centre yesterday. The body was found in his room several hours after the tragedy. No reason can be assigned for the act.

## Does Your Mortgage read like this?

"—and if the giver of this mortgage dies before the payment is completed no further payments need be made and the home will become the property of his widow so that his family will be sheltered as securely as if he had lived—"

Of course it doesn't. But wouldn't you be willing to pay say 2% more interest per annum to ensure such a result?

An Imperial Mortgage Protection Policy will provide funds to take care of your mortgage if you should die. But, should you live—as you expect to—it will give you a substantial sum of cash for your own use, and if you become permanently disabled, it will provide you with a monthly pension. Why not have this worth-while protection now?

Particulars of the Imperial Mortgage Protection Policy sent gladly on request.

## SIGNAL SCHOOL TO BE OPENED

Lieut. D. K. Wilson, signalling officer of the 16th Canadian Scottish, is making application to Ottawa for a license to operate a short wave length receiving and sending wireless station, which is expected under favorable conditions to achieve a 10,000-mile radius. This will enable transatlantic and transcontinental communication.

The tower-room at the Drill Hall on Bay Street, has now been definitely allotted to the signalling section of the Scottish, and will in future be used as their headquarters and the rallying place of all young men of Victoria interested in signalling. Lieut. Wilson is prepared to take on beginners, who are keen to learn, whether they have had any previous experience or not, and will start them on elementary work.

#### UP-TO-DATE

The signalling section intends to keep up-to-date in the very latest equipment and apparatus, and in this way will be able to carry the enthusiasm as far as he may wish to go in signalling, even to finally turning out a fully qualified operator.

Each year two district signalling schools are conducted, one in the Spring, and one in the Fall. Monday next, May 6, marks the commencement of the first school for this year. The 16th Scottish expect to start eighteen novices in this school. Those attaining first-class qualifications receive a bonus of \$18 for classifying in this grade, and lesser amounts for any lower classification. This bonus is given by all militia units to qualified signallers. In this way the militia of Canada affords a splendid opportunity to young men to become proficient in signalling, and at the same time trained to take part in the defence scheme of their country.

#### ADVANCED SCHOOLS

Each year the most proficient may attend a more advanced school of signalling at Camp Borden in Ontario. At this school candidates' living expenses and transportation are paid, and they are given the pay and allowances of their rank while attending.

Corporal J. Orendale, who will be the official operator of the 16th Scottish wireless station graduated from the Camp Borden Signalling School last year. He will assist in the instruction of the members of the signalling section. Any young man of Victoria, desirous of taking part in the school, commencing on Monday, should make a personal application to Lieut. Wilson any night this week at the new signalling room in the Drill Hall tower.

## MAN CONFESSES HE KILLED WIFE

His Story Solves New York "Torch Slaying" Mystery

White Plains, N.Y., April 30.—Earl Francis Peacock today confessed he had killed his twenty-year-old estranged wife, Dorothy, after a quarrel and burned the body with kerosene, according to Michael Silverstein, chief of the Mount Vernon detectives, and Captain Philip McQuillan of the Greenburg town police.

The charred body was found under an apple tree in a thicket along the Ardley Road last Saturday. The widow's school is twenty-one, was taken into custody last night as a material witness. After a severe all-night grilling at Mount Vernon police headquarters, he broke down this morning, the officers said, and made a complete confession.

#### WEDDING ANNIVERSARY

According to the alleged confession, the couple had been living apart. On the night of April 21 Peacock was playing cards at the home of his mother-in-law, Mrs. Alphonse A. Heinzelman, in Brooklyn, when he recalled it was his first wedding anniversary. He excused himself and drove in his car to the house on West 143rd Street, New York, where his wife was living under the name of Lillian Maney.

At the house, Peacock's alleged confession continued, his wife, after a brief talk, consented to accompany him for a ride to their old home in Mount Vernon, where they arrived at 11:45 o'clock.

As they entered, she said, according to Peacock: "Well, this looks like the old dump." He reacted to this and a violent quarrel ensued. There was a struggle and she started to "claw" him with her finger nails. Finally he drew a pistol and struck her with it.

The struggle continued, said the confession, and she knocked the weapon from his hand. After a time she appeared to faint and he discovered the body was cold. Peacock said he was in a daze after the struggle. When he realized his wife was dead he wrapped his overcoat about the body and placed it in his car. Along the Ardley road near Greenburg he stopped his machine and carried the body to a thicket, he said. Then he returned home.

The crime was New York's third "torch slaying" within a little more than a year.

## GAVUZZI STILL SETTING PACE

Wins To-day's Lap in Bunton Derby to Increase Margin Over Salo

Miller, Mo., April 30.—Peter Gavuzzi, again led the Fyle Bunton derby, in the thirty-first control point to-day, completing the 33.7 miles from Springfield, Mo., in 4:15.10. Sam Richman of New York was second in 4:25.15, and Herbert Hedeman of New York finished third.

Guisto Umek of Italy was fourth in to-day's lap. Philip Granville, Hamilton, Ont., came in fifth and John Salo of Passaic, N.J., and Paul Simpson of Burlington, N.C., tied for sixth.

By his victory in to-day's jaunt, Gavuzzi increased his margin of elapsed time over Salo, his nearest rival, by nearly four hours.

## Man Kills His Young Sons And Himself

Port William, Ont., April 30.—Driven to desperation by domestic discord, Mike Walchin, thirty-year-old paper-maker, killed his three sons and committed suicide by throwing himself in front of a freight train. The murder victims were Charles, seven; Francis five, and Dorman, two.

His wife, it is stated, left Walchin some time ago to go to live in Regina. She was formerly Miss Beatrice Clark, an English girl. She was married to Walchin, a Galician by birth, in January, 1922.

Discovery of the tragedy came only after the finding of the father's mangled body on the railway tracks. Police officials went to the family home to announce his death and found the three youngsters dead by side in bed. Under the police flashlights they appeared to be asleep. They were found to have been strangled.

A six-page letter left by the father, police state, tells the gruesome details of the killings.

## BOARD WILL INVESTIGATE GRAIN HERE

(Continued from page 1)

"We have already held sittings in Saskatchewan and also in Winnipeg and Port William, to which points we propose to return at a later date."

"In the meantime we propose to conduct an inquiry into transportation of grain through Western ports as well as to obtain information on the question of handling of grain over the Pacific route, the opportunity for development of additional markets for the produce of the farmers of the West, and, in short, anything that will tend to bring the producer an adequate return for his product."

In addition there is the question of the standard of Canadian grain as it reaches the buyer overseas."

#### VICTORIA ELEVATOR

Mr. Proctor stated that the commission proposed to consider the question of the Victoria elevator and the facilities for the handling of grain at this port.

Anyone that could give information that would be of value to the commissioners in forming their conclusions, added Mr. Proctor, would be heard before the commission at its sessions here.

It was the intention, he said, to hold a two-day session here, Wednesday and Thursday, commencing at 10 o'clock to-morrow morning.

The Grain Commission was appointed by the Saskatchewan Government last winter as the result of widespread dissatisfaction with the grading and marketing of last season's crop.

The commission of the Saskatchewan Government empowered the board to look into the whole question of the production and handling of wheat, and similar commodities were issued by the Provinces of British Columbia, Alberta, Manitoba and Ontario to facilitate the work of the commissioners.

## M.P.'S CONSIDER CHANGES IN CANADIAN GRAIN ACT

(Continued from page 1)

DEMAND BY BAKERS  
A certain percentage of protein content in flour is demanded by the bakers of the United States and the bulk of the wheat grown in the United States is below requirements as to protein content. If there was no tariff, this high protein wheat would be bought in Canada at world prices. Because of the tariff, however, the United States growers get a premium on high protein wheat.

When the United States has a surplus of wheat as this year, it is the wheat of low protein that is shipped abroad because the high protein content brings a better price at home.

swiftly than does any other business in the interviews that the general undertone is one of confidence, and indeed, buoyant optimism.

"Publishers of Canada say that, generally speaking, conditions are good, with much promise of prosperity and progress in the present year. They also point out that in a country of such wide dimensions and diversified interests, there are sections which need special study, special help, or which face external threats of economic handicap."

"Nova Scotia and New Brunswick see the advantage of having a trade commission in Toronto and while observing a general and courageous optimism, plus distinct improvement in trade, still realize the need for expansion through external development of trade and understanding."

"Quebec appears to be satisfied that prosperity is both prevalent and ahead. ONTARIO GAINS

"Ontario glories in her industrial and mineral development. "British Columbia feels confident in the industrial activity and development already attained, while experiencing some feeling that some of the heartbreaks of the fruit growing industry might be relieved."

"Nevertheless, while recognizing the local difficulties and sectional handicaps, it is obvious from the symposium of business conditions revealed

FIVE WORKERS KILLED

Prague, Czechoslovakia, April 30.—Five workmen were killed and thirty badly mangled yesterday by a terrific explosion of nitroglycerine in the munitions plant owned by the Czechoslovak Explosive Materials Company at Fardubice, sixty miles from here.

Who Is Your Skinny Friend, Ethel?

Tell him to take McCoy's Cod Liver Extract Tablets for a couple of months and get enough good healthy flesh on his bones to look like a real man.

Tell him, it's the only way to take those grave-like hollows from his cheeks and neck.

Tell him that thousands of thin, puny, peaked, scrawny men all over America have improved their physical health and appearance and bless the day they first heard of these wonderful sugar coated tablets so full of weight producing and health building elements.

## Land Deals Are Ratified

City Sells Two Lots on North Michigan For \$3,520 Cash to California Buyer

Boy Scouts to Be Given Lot on Johnson Street For Headquarters

The sale of two lots on the north side of Michigan Street, between Government and Menzies Street, to a San Francisco purchaser, was ratified by the City Council last night. The property lies in the rear of the block recently purchased on Superior Street by the Provincial Government, and will bring \$3,520 cash.

The council approved in principle an outright gift of a lot on the north side of Johnson Street between Vancouver and Cook Streets, to the Boy Scouts Association, conditional to the association succeeding in raising a fund of \$5,000 with which to build a headquarters. This replaces a decision to lease the ground to the association for a fifteen year period at a nominal rental. Reversionary rights would be retained by the city.

Urged by the Victoria Lodge of the International Association of Machinists to cancel an order for an American La France gasoline pump and combination fire truck, the council held that its word was passed, and that the contract had already been awarded. The machine is to be supplied at a cost of \$15,000. It was recommended by Fire Chief Vernon W. Stewart to the fire wardens after a study of competing tenders.

**PRUNE SIGN BY-LAW**  
The proposed sign by-law was given further study, and emerged with some clauses clipped, when the committee finally rose to report progress. Compulsory liability insurance was ratified in principle. Compulsory lighting of projecting signs intended to be illuminated was ratified, as applying from half an hour after sunset to 10 p.m. daily. Unlighted metal signs, also projecting, will be permitted, with a total area of four and a half square feet and a maximum length of thirty-six inches.

Alderman William Marchant would have voted the measure to a referendum of the people. Alderman E. S. Woodward would have abolished all projecting signs. On the majority vote, however, the council was to retain the draft of the by-law, and to consider it again when the amendments already made.

The annual loan by-law, authorizing a working credit of \$500,000 at the Bank of Montreal, in anticipation of taxes, was finally passed.

The city will call tenders for the printing and binding of the annual report for 1928. Tenders for the printing of the city zoning by-law were opened and referred to the mayor and city clerk for action.

F. M. Preston, city engineer, reported thirty-two men having been engaged at the cold storage plant last week, and machinery installation well under way.

The council was informed that no legal machinery exists in British Columbia for restrictive means of limiting trade by foreign nationals.

**TEST TRAFFIC CONTROL**  
Proposed amendments to the streets traffic by-law, forwarded by the police board, were passed to committees for study and report. The council took due note of the attempt to regulate intersection traffic, and voted to give the plan a further and more patient trial.

No motorboating will be permitted at Elk Lake, the council decided, on representations to that effect from several sources, including an official letter from the provincial game warden, drawing attention to the presence of large numbers of wildfowl at the lake.

The city received with pleasure an open invitation to be represented at the annual Tulip Festival at Bellingham, which will take steps to secure representation.

The special survey plan, thirty-eight lots in the business district would be made the subject of a special survey under the powers of the Attorney-General, was tabled for a month, to give owners an opportunity of studying the plan and signing the petition desired.

After a two-and-a-half-hour meeting the council adjourned.

**Hunter and Halkett Given Contract For New Esquimalt Hall**

Hunter and Halkett, of Victoria, were awarded the contract for the erection of the new Esquimalt municipal hall at a cost of \$10,347 at the Esquimalt Council meeting last night.

The tender, which was the lowest of seven, was unanimously accepted by the council.

Work on the building will commence immediately, stated Ralph Berrill, the architect, and the construction is expected to be completed by September 1. The sub-contractors will be chosen in accordance with the wish of the architect.

**Annual Parade Of Odd Fellows Held Here Last Sunday**

About 350 Odd Fellows as well as a number of Rebekahs held their annual church parade on Sunday.

Led by the Fifth Regiment Band, the members met at the hall and marched down Douglas Street to Gorge Road, where they entered the Centennial United Church.

On reaching the church, the ranks were divided in order to permit the Rebekahs to enter first. Rev. J. P. Westman conducted a special service for the lodge members.

The parade was the commemoration of the hundred and tenth anniversary of the organization of the body and the fifth anniversary of the laying of the corner stone at the Odd Fellows' Hall in Victoria.

Besides visiting members from Dunsmuir and other points, lodges from Victoria represented in the parade were Victoria No. 1, Columbia No. 2, Dominion No. 4 and Rebekah assemblies, Colfax and Carine. The Canton and Encampment were also represented.

## Canadian Bishops Regard Divorce as Great Moral Peril

"Companionate Marriage" Is Also Scored in Address By House of Bishops to Clergy of the Dominion; Simple and Restrained Teaching on Marriage is Urged; Birth Control, Hasty Marriages and Weddings Also Discussed.

The House of Bishops of the Church of England in Canada have sent a message on marriage and divorce, accompanied by an address by a member of the House of Bishops to all the Anglican Clergy in Canada.

The letter, which is signed by the Bishop of Ottawa and the Bishop of Kootenay, sets forth the alarm of the bishops at the increase of divorce in Canada as reported by the special committee, appointed to look into the whole question, and says:

"The bishops desire to call attention to the grave responsibility which rests upon us all at this time. Our people have a right to full information and if we enter into the prevailing laxity without constant effort on our part to inform and to warn, we share in the responsibility for the unhappiness that follows. We feel that the pulpit is too often silent upon the subject of the Christian law of marriage and of the anti-Christian and anti-social nature of divorce, and we urge upon our brothers more frequent sermons upon these important topics. We further urge that it is a duty to impart to candidates for confirmation some simple and restrained teaching on marriage, which may so soon be a matter of practical concern to them."

### BISHOP'S ADDRESS

The Bishop's address says, in part: "One of the most distressing features of modern life is found in the rapid increase of divorce. That the sanctity and life-long permanence of the marriage tie is not regarded as it used to be, and that the number of divorces is increasing with alarming rapidity there can be no doubt at all. No country is exempt. Canada is facing the same experience and the same moral peril. What is our duty under these circumstances?"

"First of all, let me bid you remember that the breaking up of families by divorce and the increase of the grounds and of facilities for divorce, do constitute a moral peril. We dare not look upon this thing with

light-hearted unconcern or pass it by with a flippant cynical jest. History tells us that it is not an evidence, as some are urging, of progress working out towards self-development, and the greater freedom of the individual. The New Testament tells that it is not according to the mind of Christ. It must be looked upon as nothing short of a menace threatening the stability of our modern civilization," the address continues.

After touching upon the contrast between the experience of the mission field and the experience of nations of modern civilization and culture, the message points out that history shows that the lowering of moral standards and the prevalence of divorce has led to the downfall of many former civilizations in history.

### "COMPANIONATE" MARRIAGES

"The best and noblest contribution the Church can make to this grave necessity of our time is humble, fearless, uncompromising loyalty to the ideal of marriage as we find it in Holy Scripture and the book of Common Prayer."

"Marriage, according to God's first design for man to which our Saviour recalls us, is the life-long union of one man with one woman to the exclusion of all others on either side. It is clear, therefore, that a 'companionate' or temporary union cannot under the Christian standard be regarded as marriage at all."

"The essence of marriage is the consent publicly made before witnesses of the man and woman to live permanently one with another as husband and wife."

### BIRTH CONTROL

"The purposes of marriage are the hallowing of their lifelong comradeship which covers life in all its phases of spirit, mind and body; the mutual society, help and comfort that the one ought to have of the other, both in prosperity and in adversity; the birth of children who bring true sunlight into every home. Home there are into which children might be but are not born because they are denied the gift of life. These homes are not true

Christian homes in the meaning of our prayer book or in the eyes of God. However great their material prosperity and comfort may be they are in the shadow of selfishness and sin," the address continues.

### HASTY MARRIAGES WRONG

Certain practical responsibilities are also urged by the Bishop:

"To enter upon marriage hastily with no acquaintance with one with another, or frivolously under the spell of transient impulse with no thought of the responsibilities involved, is unworthy of the Christian profession; too often it is the first step towards life failure, unhappiness and moral breakdown, and the first step towards bringing to others who should be dear to them a share in the sorrow that a selfish, reckless pair have brought upon themselves."

### PUBLIC WEDDINGS

"It is further of urgent importance that marriages should be solemnized publicly in the Church, and at times when friends and the congregation can assemble to take part in them. It should be at the chancel steps that the solemn betrothal and marriage vows are made and from there the bridegroom and the bride should take their first steps together to the sanctuary to receive the blessing of God upon their married life."

### DIVORCE OPPOSED

After commenting upon the notes in the rubrics at the commencement of the marriage service, the address continues:

"The Church of England therefore stands opposed to divorce and therefore of necessity opposed to any extension of the grounds on which divorce may be permitted. The Church of England also claims the right to declare for her own people certain impediments to marriage—based on kinship in blood and on kinship through marriage. In both these notes the position taken by the Church of England may or may not be identical with regulations sanctioned or impeded by law made legal by the State."

### JUDICIAL SEPARATION

"It is important that there should be no confusion in the terms we use. Distinction should be made between a decree of divorce which declares the marriage bond dissolved and remarriage permitted, and a decree of separation—commonly called 'judicial separation'—in which the marriage bond is not dissolved and the door of reconciliation is not closed. The Church of England is opposed to the first on principle, but is not opposed to the second where unhappy need exists."

"It is also right to say that the Church of England in Canada has not canonically forbidden the admission to communion of one who in a divorce for adultery can be shown to have been wronged and not implicated in wrongdoing and who has legally married again. All such cases should first be referred to the Bishop. There is a further distinction between a decree of divorce and a decree of nullity. It is one thing to declare in any case that owing to the presence of certain impediments or the absence of certain necessary conditions the marriage that claimed to be valid was really null and void. It is another thing to declare that marriage once validly contracted is dissolved."

### CHURCH AND STATE

"It is also of importance to have our minds clear upon the relations between the Church and the State in this matter. While there are and must be certain impediments which render a marriage legally or ecclesiastically invalid, it is of urgent necessity to maintain that on one hand no ecclesiastical authority can pronounce a marriage legally invalid which the state has sanctioned, and the other that the State cannot override the liberty of the Church to exercise discipline over its own members in accordance with its own principles in opening or closing the door of its own fellowship. A question has arisen concerning the creation of divorce courts in provinces in which they do not now exist. This seems to me to be a matter with which, as church men acting corporately, we cannot deal, even though as citizens we may be called upon to make up our minds how, under conditions which we heartily deplore, justice may be best administered. When this time comes it will be necessary also to consider how the spreading of the evil itself that we dread can be most effectively prevented. We cannot afford to forget that if experience teaches us anything, it teaches us this, that the increase of divorce courts will bring

with it an increase of applications for divorce."

### CHURCH NOT UNSYMPATHETIC

In conclusion, the address says: "It is urged by some that the position that the Church has taken is hard and unsympathetic towards the tragedy and suffering caused by domestic unhappiness. It is certainly not so in intention, I believe it not so in fact. Our Lord's own teaching was received as a hard saying by those who heard it first. Nevertheless He did not withdraw it. His words are simple and clear—we believe that they declare what He knows to be best for the world and what in the end will promote the greatest happiness."

## THOUSANDS SEE GUIDES' RALLY

Mrs. Alan Morkill Took Salute of Over 1,000 Girls in Vancouver

Vancouver April 30.—With admirable precision and alertness Vancouver's first inter-divisional pageant and rally took place on Saturday evening in the arena to a house packed to the doors with enthusiastic supporters. Over one thousand Guides took part in the elaborate programme, including companies from Seattle, Cloverdale, Port Moody, Vancouver Island, Chilliwack, Victoria, New Westminster, North and West Vancouver, Point Grey and the three districts of the city.

The most colorful event of the evening was the international pageant, when the Guides of forty-five countries were represented in national costume and national Guide uniform, each group being headed by a color party bearing the national flag and gifts of the country's produce to lay at the feet of Vancouver's girl-attendants, South Vancouver and Point Grey.

Charming color effects were worked out by the energetic committee in charge, including Mrs. E. Bernulf, Mrs. Goodwin Gibson and Mrs. A. Sanderson. The number ended with a charming dance by a small Guide representing the spirit of Goodwill shown in Guiding, and by two figures dressed as a lion and a lamb, who lay in peace at her feet.

### TOOK THE SALUTE

Mrs. Alan Morkill of Victoria, provincial commissioner, took the salute at the start of the programme, in place of His Excellency the Governor-General, who was unable to remain in the city for the event. This was followed by the forming of a hollow square of Guides, through the centre of which the massed colors of the companies were carried by the color parties.

The affair marked the first concerted attempt made by the Guides of the Province to awaken public interest in the movement, and it is expected that as a result many girls and young women will lend their support to the association and will join up as Guides or Guiders.

## Women's Guild of First Church Busy

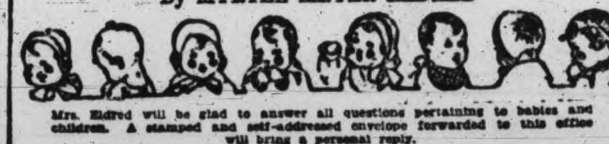

Ways and means for replenishing their funds was considered by the members of the Women's Guild of the First United Church at their monthly meeting held at the church parlor and presided over by the president, Mrs. A. S. Christie, on Monday afternoon. Suggestions from a council on ways and means that each member in the interim earn a dollar and explain how she did it at next meeting, were accepted by the ladies. During the afternoon Miss Snyder of the Social Service League gave an interesting talk on some phases of the work of National Society. Mrs. Geo. W. Clark reported on a very successful tea which she gave at her home on Viny Street during the past week, many ladies of the church being present. A goodly sum was realized, also from the rummage sale which was conducted by the ladies in the church hall since their last meeting.

Catholic Bridge Party—The Oak Bay subdivision of the Catholic Women's League will hold a bridge and 500 card party on Thursday evening, May 2, at 1610 Belmont Avenue, the home of Mrs. E. Martin, who generously offered to act as hostess.

Club to Meet—The Ladies' Club of the New Thought Temple will meet on Thursday afternoon at the home of Mrs. Elrick, 876 Craigflower Road.

## Your Baby and Mine

By MYRTLE MEYER ELDRED

Mrs. Eldred will be glad to answer all questions pertaining to babies and children. A stamped and self-addressed envelope forwarded to this office will bring a personal reply.

### SECOND SUMMER SHOULD NOT TERRIFY MODERN MOTHERS

"We still hear echoes of the old sentiment: 'You have to be careful of the second Summer!' but the echoes are growing fainter. Mothers of their first babies approach this season with some of the old dread and terror. They feel it to be a season fraught with dangers."

There is a very real reason for this sentiment. In past years babies who lived through the second Summer were considered immune for the rest of their lives. During that Summer they cut double teeth, they sat at the family table and ate whatever doors with the older children and were allowed a share of their between-meal treats. Milk was dipped from cans which were opened all along the dairymen's route from early morning until late at night. Flies settled on the can, dirt blew into it, no doubt the milkman himself took a drink when he felt like it, and probably from the same dipper he used for the customers.

### NORMAL CARE ALL THAT'S REQUIRED

It was discovered that great apples brought tummy-aches, but no one appeared to observe that over-ripe ones did, too, especially if they had been exposed to dust and flies and were eaten without washing or peeling. In fact, we had not become food-conscious as we are to-day, when milk is to be used in seed, sterilized, containing definite grades indicating purity when food comes in sealed packages, when we eat and take par-

ticular notice of its age. The chances for trouble in Summer are just in proportion to our care in these directions. There is no more reason why baby should have to have Summer complaint than that he should have to have whooping cough. It is clearly a preventable ailment. It means bringing careful of the purity and cleanliness of everything we give the second Summer baby to eat."

### WATCH SUMMER DIET

No chances are taken on foods to which he is unaccustomed. The amount of food is halved on the hottest days. City and dairy milk, as well as water of whose purity the mother is dubious, should be boiled. Fruits are cooked when one is unsure of their ripeness or greenness. We offer no iced drinks of any type, or indiscriminate servings of ice cream, unless we are certain of its purity. We under-feed rather than over-feed, and give more fruits and vegetables and drinks of water on hot days than we do meat and eggs and milk and cereals, because these are technically the "heating" foods. They must appear in the diet, of course, but in moderation during the hottest weather.

And we give water all the time—cool water for drinking and cool sponge baths several times a day. And we put few clothes and no wool on baby, no matter what his age, for we know well that just being too hot cripples baby's ability to digest his food, however harmless.

Sane care during hot weather means caution. We can't take chances without paying a heavy price for them.

## Fisher resources, Fisher volume, create far greater beauty, richness and VALUE APPARENT AT A GLANCE

NO other cars begin to measure up with Fisher Body cars in down-right body value. (The reason is, that no other body builder can begin to measure up with Fisher resources and Fisher volume. (In every General Motors car from Chevrolet to Cadillac, this appraisable value is apparent at a glance. (The more closely comparisons are drawn, the more does the Fisher Body car in any particular field gain by those comparisons. (Upon Chevrolet, for instance—forgetting for a moment speed and power performance utterly unknown in its class—Fisher Body has conferred

so much richness and beauty that all cars around or immediately above it are ruled out of consideration. (This is true of every Fisher Body car. So true in fact that thousands now clearly recognize that, in every price field, the car which is unmistakably the better choice is always the car with Body by Fisher... (There is only one way to know and to appreciate the almost sensational superiority of any Fisher Body car—and that is, to compare that car's body, point for point and feature for feature, with that of any car in its price field. Do this, and you will soon become a judge of real motor car value.

## Yankees Failing to Show Form That Won Them Three Pennants

World's Champions After Two Weeks' Campaigning Are in Third Place; Had Won Eleven Games Last Season Before Four Defeats Were Chalked up Against them; Defeated Yesterday by Philadelphia; St. Louis Browns Win Another; Chicago Cubs Bunch Hits to Eke Out 4-3 Win Over Cincinnati.

The flying start that has carried the New York Yankees to three consecutive American League pennants seems to be conspicuous by its absence this year. Two weeks of campaigning finds them in third place with five wins and four defeats. They did not suffer their fourth defeat last season until they had won eleven games. Philadelphia Athletics, chief sufferers from the Yankee scourge last year, are gaining some adequate revenge.

Yesterday they fell on Henry Johnson and Gordon Rhodes for right hits to down the champions, 10-1. Max Bishop got five straight bases on balls and scored three times. Behind good pitching by Sam Gray, the St. Louis Browns still trailed the Athletics by defeating the Detroit Tigers 3-2 in ten innings. The Chicago White Sox topped all over four Cleveland pitchers to turn in a 13-4 triumph at Chicago.

Over in the National League, the Chicago Cubs could not do much with Pete Donohue except in the sixth inning when they bunched five for four runs, to beat the Cincinnati Reds 4-3. At St. Louis the Cardinals chalked up a 7-3 victory over Pittsburgh. Grimes was hit by a batted ball in the third inning and had to retire.

**NATIONAL LEAGUE**

At Cincinnati	R. H. E.
Chicago	4 13 1
Cincinnati	3 9 1
Batteries: Root and Angley; Donohue, Ash and Gooch.	
At St. Louis	R. H. E.
Pittsburgh	3 11 0
St. Louis	7 10 1
Batteries: Grimes, Meadows, French, Brune and Hargreaves; Mitchell and Wilson.	

**AMERICAN LEAGUE**

At Philadelphia	R. H. E.
New York	10 8 1
Philadelphia	3 9 1
Batteries: Johnson, Rhodes and Dickey; Jorgens; Walberg and Cochran.	
At Detroit	R. H. E.

## Benny Bass Given Unpopular Decision Over Johnny Farr

Philadelphia, April 30.—Benny Bass was awarded the decision over Johnny Farr, Cleveland, in a slashing ten-round bout at the Arena last night. Bass weighed 128½ pounds, Farr 130. The decision was unpopular. Many experts at the rounds for Farr. Jack McVey, New York negro, won the decision over Vincent Forgione, Philadelphia, in the ten-round semi-windup. Each scaled 160 pounds.

## Fielding's Bout With Townsend To Be Broadcast

Fans who are interested in the ten-round bout to-night at Portland between Tommy Fielding, local fighter, and Billy Townsend of Vancouver, may tune in on their radios and hear the broadcast over station KOIN, Portland. The bout will start at 9:30 o'clock.

## DRAWN ARE MADE FOR GOLF PLAY

Keen Competition Expected in Forthcoming British Women's Open

Glenna Collett and Joyce Wethered Are on Opposite Sides of Draw

London, April 30.—With a number of "ifs" standing in the way, British golf fans hope for a "natural" in the women's championship, opening at St. Andrew's May 13, where Miss Glenna Collett, three times United States champion, and Miss Joyce Wethered, three times British titleholder, may meet in the final, as they are opposite sides of the draw.

Before the long-hitting Glenna can advance to the thirty-six-hole final, Friday, however, she will have to dispose of Miss Marion Turpie, native of St. Andrew's, but recently of New Orleans, who holds the southern women's title.

Another formidable rival in Miss Collett's half of the draw is Miss Edith Wilson, the twenty-year-old English champion, who has drawn Miss Joy Winn, of Alderburgh, in the first round and in close proximity is Miss Simone Thion de La Chaux, present French champion, and former British titleholder. Miss Wethered, who played her last championship in 1925, has emerged from a determined retirement to again seek the championship. The British woman golfer, however, is only twenty-seven years old. Miss Collett is more than a year younger.

## Schedule of Games For Senior Basketball League Announced

The schedule of games for the Victoria Senior Amateur Basketball League which opens Monday, May 13, has been announced as follows:

The complete schedule of league fixtures follows:

May 13—Sons of Canada vs. Jokers.

May 20—Eagles vs. Sidney.  
May 22—Jokers vs. Tillamums.  
May 27—Tillamums vs. Sidney.  
May 29—Eagles vs. Sons of Canada.  
May 31—Sidney vs. Sons of Canada.  
June 3—Jokers vs. Eagles.  
June 5—Sons of Canada vs. Tillamums.  
June 7—Tillamums vs. Eagles.  
June 10—Jokers vs. Sons of Canada.  
June 12—Eagles vs. Tillamums.  
June 17—Tillamums vs. Jokers.  
June 21—Sidney vs. Tillamums.  
June 24—Sons of Canada vs. Eagles.  
June 25—Sons of Canada vs. Sidney.  
June 26—Eagles vs. Jokers.  
July 3—Tillamums vs. Sons of Canada.  
July 5—Eagles vs. Tillamums.  
July 8—Sons of Canada vs. Jokers.  
July 10—Tillamums vs. Eagles.  
July 12—Eagles vs. Sidney.  
July 15—Jokers vs. Tillamums.  
July 17—Tillamums vs. Sidney.  
July 19—Eagles vs. Sons of Canada.  
July 22—Sidney vs. Sons of Canada.  
July 24—Jokers vs. Eagles.  
July 26—Sons of Canada vs. Tillamums.  
July 29—Tillamums vs. Eagles.

## EDMONTON GRADS WIN

Edmonton, April 30.—In an exhibition basketball game here last night Commercial Grads defeated Melroms girls' team of Vancouver, 59 to 30.

## McDUFFY

By BARRIE PAYNE

JOE KIRKWOOD, THE TRUCK DRIVER, I'LL BE GLAD TO PLAY FOR BACKSPIN, PUSH SHOT, PITCH-AND-RUN, HOOK, SLICE, STRAIGHT BALL—YOU NAME IT AND I'LL PLAY IT!

**BULLHEAD SCRATCHED**

London, April 30.—Bullhead, owned by Lady Cunliffe Owen, has been scratched from the two Thousand Guineas to-morrow and the Derby on June 5.

## THE BIG SIX

Rogers Hornsby and Paul Waner carried off the lion's share of the batting honors in the "Big Six" yesterday. Against Cincinnati the rajah got one run and two hits in four times at bat. While Paul did the same thing against St. Louis, Hornsby's batting left him only eight points behind the leader, "Goose" Goslin, who did not play. His mark was 381, Goslin's 389. Waner crept up several notches on Lou Gehrig, holder of fourth place, who failed to hit in three tries, but still is a long distance behind.

## Feminine World's Champion By Jimmy Thompson

Ethel Catherwood of the Toronto Parkdale Ladies' A.C. has broken another world record. During her recent appearance at a Montreal meet she established a new world women's indoor record with a high jump of four feet 11½ inches.

Record-breaking is getting to be a habit with this young lady, and track fans feel that they have been slighted when she enters in a meet, and fails to do something spectacular.

Since joining the Parkdale Club Miss Catherwood has improved her performance under the management of Teddy Oke, and quite likely will go right on breaking records at every opportunity.

## Stars Tell Right Day For Catching Mesh Of Beauties?

Here's a real fish story for Victoria's crack anglers to digest: Herb Shade, who, when he is not selling life insurance, is quite an enthusiastic fisherman, along with a party of anglers, visited Salt Spring Island recently to do some fishing in Cushman Lake.

Among the party was a well-known astronomer. The party arrived at the lake on a Saturday and were about to commence fishing when their friend who studies the skies stated they would not catch a fish because it was not the proper day. According to the stars, Sunday, the next day, was the proper one for fishing. His friends scoffed at the idea and went out to try their luck. After several hours they returned without a single catch.

On Sunday the party again tried their luck, and believe it or not, they hooked forty-seven beauties. According to reports, the astronomer friend will be a member of every fishing party this Summer.

## "Kid" Chocolate Scores Knockout In First Round

New York, April 30.—Kid Chocolate, stiff-punching Cuban, knocked out Tommy Ryan of Buffalo, in the first round of their ten-round match here last night. Chocolate weighed 120 and Ryan 128.

Chocolate smothered his heavier rival from the opening bell and ended matters by knocking him out after a minute and 55 seconds of the first round.

After a series of jabs and uppercuts, "Kid" landed a heavy left hook that dropped Ryan for a count of eight. Ryan staggered to his feet only to run into a storm of punches. He stood up under the barrage for a few seconds and then a left hook floored him for the final count.

Black Bill, Cuban flyweight, stopped Rounder Parr, of Chile, in the seventh round of the ten-round semi-final.

## OLD COUNTRY FOOTBALL

London, Eng., April 30.—Soccer and rugby football games played in the British Isles yesterday resulted as follows:

**ENGLISH LEAGUE—FIRST DIVISION**  
Leeds United 2, Bolton Wanderers 2.  
Portsmouth 2, Sheffield United 3.

**ENGLISH LEAGUE—SECOND DIVISION**  
Bradford 1, Grimsby Town 0.  
Southern Section  
Luton Town 1, Torquay United 2.  
Northern Section  
Barrow 2, Crewe Alexandra 4.

## Jackie Johnston Wins Over Eber

Toronto, April 30.—Jackie Johnston of Toronto won a ten-round decision over Bobby Eber of Toronto, formerly of Hamilton, Ont., at the Coliseum here last night. It was a slugfest match all the way with Johnston's cleverness earning him the decision. Johnston weighed 123½ and Eber 123½.

## "Dusty" Miller To Meet Lohman Here On May 11

"Dusty" Miller, local light-heavyweight fighter, has been rematched with Joe Lohman of Toledo, the fight to take place in Victoria on Saturday, May 11. Lohman will be remembered as the fighter who beat Miller here several weeks ago. The fighters put up a great scrap and the return bout is expected to be a good one.

## DIABOLO IS WINNER IN GREAT RACE

Has Stirring Fight With Victoriano to Capture \$25,000 Dixie Handicap

Gregory Scores Nose Victory Over Metelin in Jamaica Claiming Stakes

New York, April 30.—Coming from behind in the stretch, Diabolo, four-year-old chestnut colt from the Wheatley stable, notched out Victoriano to win the \$25,000 Dixie Handicap as the Spring racing season opened at Pimlico under ideal weather conditions yesterday.

Seventeen other veteran thoroughbreds started in the rich Maryland turf event, but the race was strictly a Diabolo-Victoriano affair, with the Wheatley sprints flashing under the wire a nose in front of Victoriano. Victoriano, winner of the Preakness last year and victor on his first time out this season at Havre de Grace, was the favorite.

With R. Workman up, the 1928 Preakness winner jumped out in front at the rise of the barrier and seemed to be well on to his second victory of the current season as the field straightened out into the stretch. But the gallant son of Wilkesbroom II, Vexatious which had scored an impressive victory last week at Jamaica, rushed up from seventh position and challenged the bay colt carrying the colors of the Silas Mason stable of Lexington, Ky.

**A GREAT BATTLE**

The two horses battled stride for stride through the last sixteenth. With Jockey J. Malen urging him on, Diabolo made one last bid for victory and thrust his nose out in front as the two runners flashed under the wire. The time for the mile and last sixteenth was 2 minutes flat and the winner paid \$21.70 for each \$2 mutuel.

The victory was worth \$27,600 to the owner of Diabolo.

Trading Victoriano in third place was Display, in the silks of W. J. Salmon. Of the nineteen horses named to start, only Voltaire, which was out at Havre de Grace, was scratched.

In a blanket finish, the Judd stable's Gregory, with McAttee astride, scored a nose victory over T. M. Casmette, with R. T. Wilson.

The victory of Gregory was largely due to the fine ride made by McAttee. Away to a flying start, McAttee let his mount step out. He led by a length at the top of the stretch, when the pole Gregory was going nicely but Barrett brought Metelin up fast on the outside. McAttee, however, saw him closing and sat down and rode the pole Gregory to victory. The five furlongs was run in 1:01 1-5 and the race was worth \$4,100 to the owner of the winner.

## CUPS PRESENTED FOR ROAD RACES

Entries to Close May 23 For Junior and Senior Events on May 25

Two fine trophies have been donated for the senior and junior road races to be staged on May 25 by the Pro Patria Branch of the British Empire Service Legion. A three-year challenge cup has been presented for the junior event by David Spencer Limited. The seniors will compete for a perpetual cup and also a handsome Legion cup. The prizes will be on view shortly in the windows of David Spencer.

The races are open to any amateur runner residing in British Columbia. The senior event is over 10 eight-mile course, while the juniors will run five miles. Entries for the events will close on May 23, entry forms to be sent to the secretary of the Pro Patria Branch.

The senior event which will be open to runners over eighteen years will start at the Pro Patria headquarters, thence to Quadra Street, along Quadra to the old Saanich Road, and return by the same route.

The junior event will start at the Pro Patria headquarters, from there the competitors will run to Quadra Street, along Quadra to Cloverdale Avenue, and home by the same route.

## Jackie Johnston Wins Over Eber

Toronto, April 30.—Jackie Johnston of Toronto won a ten-round decision over Bobby Eber of Toronto, formerly of Hamilton, Ont., at the Coliseum here last night. It was a slugfest match all the way with Johnston's cleverness earning him the decision. Johnston weighed 123½ and Eber 123½.

National League players say Andy C. is a greatest batting fault is that he doesn't hit a low ball.

## BOXING & TENNIS

## Machine-like Form Of Windsor Defeats Coast Titleholders

Canadian Basketball Champions Display Smooth and Deliberate Basketball to Defeat New Westminster Adanacs 20-18 in First Game to Decide Canadian Championship; Royal City Squad Puts Up Brilliant Fight, Finally Breaking Through Methodical Attack; Series to be Decided on Total Points; Second Game Wednesday.

New Westminster, April 30.—Smooth, sure and capable, Windsor Collegiate Alumni, holders of the Canadian Basketball Championship and Eastern winners for this year, worked their way to a 20-18 victory over New Westminster Adanacs here last night in the first of a two-game series for the Canadian basketball title. The series is to be decided on total points in two games, and the Easterners will have a two-point advantage to take into the second tilt Wednesday night.

Windsor displayed the nicest, smoothest and most deliberate basketball uncovered on a Coast floor. The Canadian champions do not waste an effort. They passed the ball only where it should be passed, and shot only when it looked possible to make a score. There was no wild shooting on the part of the Easterners, nor no rushing attacks. Everything was methodical and done with the greatest thoroughness.

Adanacs put up a brilliant battle against the Eastern five, and finally managed to break through through the necessary points to win the battle, in the second half. The pacific rim champions tied the score at 18-18, but could not break through the necessary points to win the battle.

Windsor dominated the situation in the first half and made the Adanacs play the kind of basketball best suited to Windsor. At the halfway mark the champions were leading the Western winners by a count of 15-10.

Adanacs were outplayed again for part of the second half, being unable to hurry the alumni from Windsor. But finally they broke away, and managed to prove that all machines must have some weak spot.

Windsor's star guards, King and Dawson, proved the big fly in the Adanacs' ointment. They held Wally Mayers, most sensational forward on the Coast, and the Easterners' star guard, Adams, sharpshooting forwards guessing all night long.

Adanacs played the best basketball they were capable of in the second half, getting by the two-point lead in the second game of the series. Bobby Morris of Seattle and Buck Yeo of Vancouver refereed the contest, alternating as referee and umpire.

First half summary: Windsor—Edwards (2), Dowd (2), Butcher (5), King (4), Dawson (2). Total, 15.

Adanacs—Mayers, Gifford (2), McEwen, Fraser (3), Butler (5). Total 10.

Final summary: Windsor—A. Edwards (2), F. Dowd (2), W. Butcher (6), King (4), E. Dawson (5), V. Dickson (1). Total, 20.

Adanacs—W. Mayers, W. Gifford (4), McEwen (2), D. Fraser (7), R. Butler (5), C. Hood. Total 18.

**CUP FINAL IS CARDED**

Rennies and Navy, Wednesday League Soccer Teams, Play To-morrow

Rennies and Taylor and the Navy Wednesday League football teams will meet to-morrow afternoon at the Royal Athletic Park in the final for the Rennie and Taylor trophy. The match will start at 3 o'clock, and a keenly contested game is expected.

The cup is at present held by the Bakers, and they will make a strong effort to retain it. In the semi-finals last week Rennie, defeated Saanich United 3-0, while the tars handed the Hudson's Bay a 6-2 setback.

## HORSE RACING

Lexington, April 30.—Horse racing results here yesterday follow:

First race, futurity course—1. Besale, \$18.00; 2. Capt. J. S., \$2.80; 3. Chatter Black, \$2.40. Time 1:12 4-5.

Second race, four and a half furlongs—1. High Foot, \$8.00; 2. Princess Margaret, \$3.60; 3. Wild Denise, \$3.40. Time 58 2-3.

Third race, mile and seventy yards—1. Sport Dress, \$6.00; 2. Thistle Star, \$2.80; 3. Lucky Xenora, \$3.40. Time 1:47 4-5.

Fourth race, four and a half furlongs—1. Surprise, \$4.00; 2. Gotta Go Now, \$5.20; 3. Rose Jar, \$4.00. Time 57.

Fifth race, mile and seventy yards—1. Bourbon, \$22.00; 2. Pendleton, \$2.40. Time 1:46.

Sixth race, futurity course—1. Thistle Fern, \$4.00; 2. Rennie, \$3.60; 3. Flying Field, \$4.00. Time 1:11 4-5.

Seventh race, mile and a sixteenth—1. Grand King, \$4.00; 2. Frank Hawley, \$3.60; 3. Master Sweep, \$4.00. Time 1:48 3-5.

Glenna Collett To Meet M. White In British Golf Play

London, April 30.—Miss Glenna Collett, United States women's golf champion, yesterday drew Miss M. White, of the Roxhampton Club, in the first round of the British women's golf championship. Miss Marion Turpie meets Miss Sylvia Dampney, of the Wimbledon Club, in her first match.

Andre Routsis To Defend His Title

New York, April 30.—Andre Routsis, holder of the world's light-heavyweight championship, has been signed to defend his title at the Yankee Stadium, August 22, the Madison Square Garden Corporation announced yesterday. His opponent is expected to be either Al Singer, of New York, or Kid Chocolate, the Cuban sensation.

Excursion to Seattle on Saturday, May 11, St. Princes Kathleen.

## NEW AIR MAIL SERVICE

Ottawa, April 30.—Manitoba's northern outposts of Oxford and Island and Gods Lakes will be added to the growing chain of northern air mail points. Hon. P. J. Veniot, Postmaster-General, announced in the House of Commons

yesterday. M. Veniot stated arrangements had been completed for the conveyance of mail to and from those northern points once a week by aeroplane of the Government's forestry patrol at Norway House, at the north end of Lake Winnipeg.

REVERTED LOT  
SALES GROWING

Esquimaux Puts More Property on Tax Paying List; Will Hold Own Celebration

The sale of four reverted lots at a price totalling \$1,653 was ratified by the Esquimaux Council at its meeting in the municipal hall last night.

Since the firm of Wallace and Archer, realty dealers, took over the sale of reverted land in the municipality, the council has realized \$2,505, and has placed eight lots back on the tax paying lists.

During the meeting two communications were received by the council from people seeking permission to erect refreshment stands adjoining the Half-Way House and the Coach and Horses.

Since the proposed plans for these structures contained no specifications for sewers, the council did not give its permission for their erection. In the case of the one near the Half-Way House, the council endorsed the action of the engineer in refusing permission to build, while in the latter case the communication was referred to the solicitor for advice.

## ROAD WORK AT BARRACKS

It was decided to commence repair work on the roads at Work Point Barracks on a cost plus basis following the reading of a letter to the council from the Department of National Defence.

In as much as the council was doing its utmost to promote a district celebration of May 24, it turned down a request from the Victoria Day celebration committee asking for a municipal entry in the street parade. The letter was received and acknowledged.

## JABBY

"So often the fellow who gets in hot water these days has to be bailed out."

(Copyright)

On May 24, it turned down a request from the Victoria Day celebration committee asking for a municipal entry in the street parade. The letter was received and acknowledged. It was made known that the council would meet the school board to make full arrangements for the municipal celebration and school sports day on May 24.

Other motions passed by the council included one to erect slow signals at the corner of Lyell and Fraser Streets. The subdivision of lots twenty-one and twenty-two in the Victoria was approved.

## I'M ALONE

(Continued from page 4)

the very first to start for the tall timber in case of trouble.

Sailing as she was under the Canadian flag, it is just possible that some real technicality might place the responsibility where it does not morally belong. So when we ask "What does Canada think of the incident?" I believe it very important that we should ask in the same breath "What does the United States think about it?" The press here has made the pun that the name should be changed from I'm Alone to Let It Be Alone. I am in entire sympathy with the change. I think it might be important that our Canadian citizenship should be seized with some important facts. First, the ship was a run-ner, a pirate ship, preying upon the commerce and goodwill of a friendly nation. That point has never been disputed. No claim of her innocence or that she was engaged in legitimate trade has ever been made. Why, then, should the ship claim, or why she should be accorded the protection of the Canadian flag gets me. She was doing that for which Sir Walter Raleigh lost not only his ship but his head, and that at the hands of the British nation, at a time, too, when piracy was much more in vogue than it is to-day.

In the second place, Washington first made an appeal to Ottawa in the most friendly way, asking her to stop the export of contraband liquor to the United States, and that, I believe, with questionable success. I fail to see. One fact is clear to me. No man who respects himself will fling his dead cats into his neighbor's garden. The United States to-day is maintaining at an awful expense a coastguard, whose chief duty is to protect her shores from these pirate ships, sailing apparently under the protection of the Canadian flag. Does anyone suppose that the United States will be so engrossed in northern friendship as to stand for that? My part I believe the whole proceeding on the part of Canada is foolish. In the first place I have no idea that American sentiment will tolerate an indemnity. But should it be paid on

Stomach Troubles,  
Headaches and  
Dizziness

When your stomach is sick, you are sick all over. If you can't digest your food, you lose strength and "pep", get thin and nervous, and feel as tired when you get up as when you went to bed.

This was the condition of Mme. P. Jorai, 2170 Leclerc Street, Montreal. She says: "I was so nervous that the rustling of a newspaper upset me. My appetite had left me; indigestion was giving me a great deal of trouble; I could not sleep, and steadily lost weight. Tanlac soon had me eating again. I regained my stomach trouble, steadied my nerves, ran my weight up ten pounds, and made me feel just right in every way. Let Tanlac do for you what it did for this sufferer and thousands of others. It is marvelous to see how it corrects the most obstinate digestion troubles—relieves gas, pains in the stomach and bowels—how it restores the appetite, vigor, sound sleep and strong nerves. Tanlac is made of roots, herbs and Nature's own medicines for the sick. Get a bottle from your druggist to-day."

SHANGHAI COURT  
REGRETS DEATH

Late C. G. Keen, Assistant Police Advocate, Subject of Sincere Tributes

Shanghai, April 30.—A glowing tribute was paid at the Provisional Court yesterday to the memory of C. G. Keen, Assistant Police Advocate, who died of spinal meningitis at the isolation hospital on Monday.

E. Stevens, Senior Consul's Deputy, said: "I wish to say a few words out of respect to the memory of Mr. Keen. The Court has heard of his loss with a deep feeling of regret and shares the sorrow of the deceased's relatives and many friends whom it is hoped will be comforted by the high esteem in which Mr. Keen's services as an officer of this Court were held by all of us."

## TRIBUTE TO CAREER

R. T. Bryan, Police Advocate, spoke briefly for his erstwhile assistant and thanked the court on behalf of Mr. Keen's family, from whom he had just received a cable. "Mr. Keen was a young lawyer of very great promise," he said, "and had only been here a little while. He was only twenty-eight years of age at his untimely death, but had acquired a keen insight into local conditions. I have known him but a short time, but long enough to admire him for his sterling qualities and character. He upheld all the high traditions of the bar and his death is a distinct loss to the Municipal Council and to me personally."

Among the many beautiful floral tributes sent to the cemetery were wreaths from the Shanghai Municipal Council, Senior Consul's Deputies, Mrs. B. Manners, Miss T. Bell, Miss Leibold, Mr. and Mrs. K. E. Newman, Mr. and Mrs. R. E. McDonald, Chinese comrades, Police Advocate's Staff: J. E. Wheeler, A. W. Torrible, Margaret, Judges John C. Wu, Teng Wen-chia, Shen Rung, Chung Hung-shen, and Chui Tseng-shen; R. C. Aiers, C.I.D. headquarters staff, Judge Ho Shih-tseng, Foreigners Shanghai Provisional Court, Mr. and Mrs. Nash, Watson, Foreign Staff Amoy Road Gaol, Court Inspectors Police Advocate Staff, Mr. and Mrs. R. T. Bryan, Officers S.M.P., Char New-ching and Char Ling-ching, Capt. and Mrs. Torrible, Dr. Mrs. and Miss McMillan, Mr. and Mrs. John Marshall, and the committee and members of the Union Church.

## MANY ATTENDED FUNERAL

A large gathering of the British bar, members of the S.M.P. and other Municipal Council employees and non-official friends of the late C. G. Keen attended the funeral services held yesterday in Bubbling Well Cemetery. The Rev. Bost Smith officiated, the pall bearers being R. T. Bryan Jr., G. Ronald McDonald, K. E. Newman, J. R. Jones, G. H. Piercy and S. H. Garrod.

Among the police who attended were Capt. R. I. M. Barrett, Commissioner of Police, Capt. R. M. J. Martin, Deputy Commissioner, Messrs. S. C. Young, R. C. Aiers, J. E. Wheeler, J. P. Givens, assistant commissioner, Chief Det.-Inspector R. W. Yorke, and Inspectors Mills and Mason of the staff.

SPRINGS FOR  
GOLDSTREAM

Ald. E. S. Woodward Sponsor of Plan to Test Out New Salmon Breeding Grounds

Some 20,000 salmon fry from the Cowichan Hatcheries were liberated in Goldstream River at 11:30 a.m. to-day at the instigation of Alderman E. S. Woodward, who began a movement last year for a trial of the experiment. The fry are those of the Spring Salmon, and the first instalment will be followed by a series of others in due course, it is stated.

Goldstream, one time was the haunt of steelheads, but in late years nothing but dog salmon have found their way up the river, to spawn and die. The present experiment is one to ascertain if springs can be made to thrive in the river to help replenish salmon stocks in Saanich Arm.

The fish were crated at the hatchery and delivered by special vehicle to the city engineer this morning, being liberated shortly afterwards in the presence of some city officials.

Native Sons  
To Appeal On  
Aged Pensions

Exemption of war service pensions from the amount of private income permitted under the provisions of the Old Age Pension Act will be urged by the Grand Post of the Native Sons of British Columbia in an appeal to the Federal Government.

At the Native Sons convention held in Vancouver it was pointed out that aged persons who served in the C.E.F. were in receipt of pensions that were inadequate to provide them with those comforts necessary to old age. Because they were receiving pensions exceeding \$360 annually, they were not entitled to the benefits provided for in the Old Age Pension Act.

## Sooke

A special meeting of the Holy Trinity Church Branch of the W.A. was held at the home of Mrs. J. Hawkins to appoint a new secretary. Regret was expressed at the resignation of Mrs. F. A. Butler, who had been secretary.

Major and Mrs. Porteous and the two Misses Porteous have rented a summer cottage on the waterfront. Major Porteous will be fire warden in Sooke during the summer.

Miss Cooke is a guest of Col. and Mrs. Wilby of Victoria.

Captain Troy is spending a few days at his home in Saanich.

Mr. Willett is the guest of Mr. and Mrs. Raymond of Victoria.

Nerves On Edge?  
Tired Out?

Throw Off "Spring Fever" With "Fruit-a-tives"

March and April are trying months on everyone. The air has lost its snap. The sunshine is soft and lazy. Muscles are tired—head feels heavy—nerves are on edge—that's "Spring Fever."

You need a tonic to overcome that tired condition and help nature clean and purify the blood stream. For this you can depend on "Fruit-a-tives." It is a wonderful blood purifier.

## Read What People Say

"To-day I am in perfect health—thanks to Fruit-a-tives." Mrs. Brisson, Montreal.

"That nervous, tired feeling has completely gone. Fruit-a-tives made a new man of me." D. Duverson, Massville, Ont.

"Evermore should keep in good health by taking Fruit-a-tives." E. Landstram, Headler, Alta.

The unique action of "Fruit-a-tives" regulates the kidneys and bowels—stirs up the liver—clears out waste-matter that is clogging the blood—and puts your system in splendid condition.

Get a box to-day—25c and 50c at all dealers.

and Messrs. King, S. Kum, Paul, Y. Ru, police advocates. Others who attended were J. M. McKee, deputy secretary to the S.M.C., E. H. C. Platt and C. D. Meinhardt, S. L. Burdett, Van den Berg and Bhevi S. Ramondino, senior consul's deputies.

The late Mr. Keen was well known in Victoria, being the son of Mr. and Mrs. W. J. Keen of 1029 North Park Street. He studied law under Mackay, Miller & Green, and later under D. F. W. Maunsell, receiving his call to the bar and admission to the roll of solicitors shortly before he left for China to take up his new work.

To Complete  
Gorge Vale  
Golf Course

Preparation of the fairways of the Gorge Vale golf course will shortly be put in hand under the direction of A. V. Macan. A meeting of the members of the Gorge Vale Golf Club will be held at Belmont House on Thursday, when arrangements for financing the completion of development of the splendid location will be completed.

While the original plans of the club contemplated expenditure of \$25,000 upon the completion of the course, Mr. Macan has advised that the site will prove one of the finest on the north-west if properly developed. This will require investment of about \$70,000.

In the last two years great progress has been achieved in clearing and opening up the fairways. This year's campaign will include laying of water mains, completion of ploughing and draining the course, seeding the fairways and construction of greens under the personal supervision of Mr. Macan.

Although Cleveland, Ohio, is regarded as one of the greatest cities in the country for sandlot baseball, only one Cleveland is playing in the major leagues to-day. He is George Uhle, with Detroit.

The new \$750,000 stadium for Notre Dame was started late in April. It will be completed in time for the 1930 football games.

Excursion to Seattle on Saturday, May 11. St. Princess Kathleen.

Fleet Foot  
speeds the game  
—at Wimbledon

THE English, too, prefer Fleet Foot (made in Canada). Their game is faster, they say — on grass courts or clay — with these shoes. The sure-footed confidence Fleet Foot gives them inspires brilliant play.

Fleet Foot Shoes are so smart in appearance, and so comfortable. They fit snugly; support the muscles of foot and ankle firmly without restricting their action in any way. Cool, light in weight, sturdily constructed and durable. Shoes for sport . . . for wear . . . for play, with Crepe or Re-Ly-On Soles of toughest resilient rubber.

Follow the example of those who know.

## URGE DRIVE ON PRODUCTS FAIR HERE

Permanent Display of Manufactured Goods Near Crystal Garden Is Suggested

City Council Invited as Alternative to Consider Money By-law to Improve Willows

Three suggestions, but no fixed plan, were developed at the conference between the directors of the B.C. Agricultural Association and the City Council last night as to the housing of a home products exhibit in future years.

One suggestion was that made by Alderman W. T. Straith, that a permanent building be erected on city property near the Crystal Garden to be used as a year-around exhibit of home products and British Columbia manufactured articles in general. Victoria, as the first port of call for the Oriental trade, held salient possibilities for such a display, said Mr. Straith.

Alderman H. O. Litchfield brought

forward a plan to enlarge the women's building and manufacturing building at the Willows grounds by throwing them together by bridging the intervening space. This would afford added floor accommodation and would be serviceable in any form of future development of a home products exhibit at the site, he said.

W. H. Mearns, spokesman for the B.C. Agricultural Association, drew the attention of the council to the need for some decisive step to give adequate accommodation at the Willows grounds. It was desired to move the race track northward, the grandstand back, and to make a start, at least, on some more permanent form of building to take care of the annual exhibition, he indicated.

James Parfitt, on behalf of the Chamber of Commerce and the Canadian Manufacturers' Association, stressed the growing importance of Canadian manufacture, and its influence in markets at home and abroad. He appealed to the council to take a broad step forward to place what Victoria and the Island had to offer before all visitors. This could be done by way of a home products building at the Willows, or by some other means as decided, he concluded, urging early attention to some decisive plan.

Capt. T. Goodlake concurred with Mr. Parfitt on behalf of the Canadian Manufacturers' Association. Alderman William Marchant suggested that attention might be given to an investigation of a Hillside and Tenth Avenue site for permanent agricultural and home products exhibition grounds. The Willows site, he suggested, was not in the city and was at some distance from the regular tourist track.

Mayor Herbert Anscomb promised early attention to all plans mooted, stating his belief that anything done at the Willows would have to be done by a money by-law, the present needs were far beyond the bounds of what could be accomplished from ordinary revenue, he said.

## Great Influx Of Tourists Now Assured

H. B. Olson Forecasts Fifty Per Cent Increase in Victoria's Holiday Patronage

"The tourist influx to Victoria this summer will be at least fifty per cent larger than the record achieved last year," reported H. B. Olson, president of the Gray Line Tours, upon his return from New York and other Eastern centres yesterday.

"After visiting New York, Boston, Philadelphia, Detroit, Chicago, and other large cities of the Eastern States, where I had interviews with connections of many years' standing, I am convinced that Victoria will this year experience a tremendous development in her tourist business. Two travel bureaus have each arranged eleven week-end parties of more than 100 tourists each, and more are being constantly organized," said Mr. Olson. "The bookings of the Gray Line for this summer are now above 100 contracts, of which the groups mentioned are counted as two. This is an increase of forty per cent above the number of arranged contracts we had at this time last year," he pointed out.

Mr. Olson has added four new coaches to his sight-seeing fleet, to provide for the increased demand for transportation to be expected this summer. Two of the new cars, each with open sight-seeing tops, and accommodation for twenty-one passengers, have been delivered. The other two were in process of completion at Port Hope when Mr. Olson went through the plant of the Yellow Truck Corporation last week, and will be delivered here on May 10. Each will carry thirty passengers and be equipped with special bodies and open touring tops.

A great increase in the week-end tours is assured, and Mr. Olson cites as an instance the Milwaukee Railroad, which has contracted for parties occupying solid trains of sleepers from the East to arrive in Victoria on every Saturday through the summer, stay at the Empress Hotel overnight, leave by car for Nanaimo on Sunday morning, and return to the East by the Canadian Pacific Railway from Vancouver. The only cities where these visitors will sleep in hotels are Seattle, Victoria and Vancouver.

**BUSINESS DOUBLES**  
The increase in prospective business, other than organized tourists, is even more notable, Mr. Olson found during his tour. Already the Gray Line is booked for more than double the patronage of this type, secured through Eastern tourist bureaus, than was under contract at the end of April last year. "This business already booked for us is worth more than \$10,000 and is growing at increasing speed every week," he said.

Before attending the annual convention of the Gray Line, held at the Empress Hotel on April 15 to 17, Mr. Olson visited Nelson and opened the first run of a new route added to the services of the Kootenay Valley Transportation Company. This service is controlled by Mr. Olson and now runs 600 miles daily on four routes.

**FLYING POPULAR**  
During his stay in the East Mr. Olson noted the remarkable expansion in the air services now being made. All the larger cities are now coupled together with speedy and reliable flying fleets, and Mr. Olson found it impossible, on two occasions, to secure a seat in the planes flying between Detroit and Chicago, which make the journey in 150 minutes.

As a point of interest in the development of competition, Mr. Olson remarked that the route between Cleveland and Detroit will soon be served by amphibian planes, which will cut the time of the present land planes by an hour.

## Garden City

The senior girls of the Garden City High School, under the leadership of Miss McKillop, district organizer, explained the work of the circle. Officers elected were: Hon. president, Mrs. James; president, Dorothy Archer; vice-president, Jean Baldwin; secretary, Zoraida Gill; treasurer, Lillian Lee. Mrs. J. Barr, who has been visiting her daughter, Mrs. Hanna, in Nanaimo, returned to her home, Grange Road, on Sunday.

## Grouse Mountain Greater Community Spirit Campaign

**GRAND PRIZE \$25,000.00**  
**WEEKLY PRIZES \$1,000.00**

## A FORTUNE IN PRIZES \$1.00 Makes You Eligible

HELP yourself to a fortune—and at the same time help to make Grouse Mountain the outstanding scenic resort and playground on the continent... a tourist magnet which will attract a golden stream of tourist dollars to Western Canada. The plan is simple:

1. The Company has made provision for a Grand Prize of \$25,000, also Weekly Cash Prizes totalling \$1,000 each week for the duration of the campaign. The Weekly Cash Prizes shall be divided as follows: One, \$200 Cash Prize; One \$100 Cash Prize; Twenty-eight, \$25 Cash Prizes... thirty prizes in all.
2. Every Purchaser of a \$1.00 Grouse Mountain Highway Community Spirit Ticket is eligible to receive one of the Weekly Cash Prizes.
3. A person purchasing more than one ticket will be eligible to receive a Cash Prize for each ticket purchased.
4. Each week the prize winners' names and addresses will be published. At the completion of the Campaign all persons who have won a Weekly Prize will become eligible to the \$25,000 Grand Prize.
5. The Grand Prize shall be awarded to one of the Weekly Prize Winners at the end of the Greater Community Spirit Campaign.
6. The methods of awarding the Prizes shall be fair and impartial, each Ticket holder having equal opportunity without prejudice. The following well-known men of unquestionable integrity have accepted the responsibility of awarding the Prizes and their decision shall be final and binding:  
HONORABLE W. C. SHELLEY, Minister of Finance of British Columbia.  
MINISTER OF FINANCE OF BRITISH COLUMBIA.  
W. BOY-W. MONTGOMERY, Member of the House of Commons.  
R. E. WORTHINGTON, President, Vancouver Drug Co., Ltd.  
DR. G. H. WORTHINGTON, President, Vancouver Drug Co., Ltd.  
MR. H. LEGGATT, formerly Sec. Treas., Wood, Vallance & Leggett, Limited.  
DONALD McLEOD, with Stewart & Welch, Contractors.  
BRENTON S. BROWN, President, Greater Vancouver Publicity Bureau.
7. It is not necessary for the purchaser of a Greater Community Spirit Ticket to visit Grouse Mountain during this Campaign to become eligible to the Prize Money, but such person may drive over the Grouse Mountain Scenic Highway once for each Ticket purchased at such time as suits the purchaser's convenience.
8. Purchaser of Tickets whose Application Coupon arrives, at the Grouse Mountain Highway and Scenic Resort Limited office on or before 5:00 p.m. of Friday each week will be eligible to receive the current Weekly Cash Prizes. Coupons received subsequent to that time will be eligible to the succeeding week's Prize.
9. All records in regard to sale of tickets and all monies received and paid shall be under the supervision of Geo. A. Touche & Co., Chartered Accountants, Vancouver, B. C. The Dominion Bank of Canada will be the depository of all Campaign Funds.
10. Fill in the attached Coupon with name and address plainly written. Attach \$1.00 for each ticket desired.

GROUSE MOUNTAIN HIGHWAY AND SCENIC RESORT LIMITED, Vancouver, B. C.

## TO-DAY'S GRAIN MARKETS

### OPEN INTEREST REDUCED

Chicago, April 30.—Open commitments in May wheat were reduced about 22,500 bushels last week, and at the close Saturday the open interest in the May option was \$2,500,000 bushels.

The open interest in all wheat stands at 141,240,000 bushels, a reduction of 9,000,000 bushels last week.

(By Branson, Brown & Co. Limited)

Winnipeg, April 30.—Wheat: The wheat market opened 1/4 higher and advanced another half cent during the first hour, the local trade being encouraged by the strength in Liverpool. However, the market was rather featureless with buying by exporters and seaboard houses, the bulk of the trade being spreading. Commission houses were selling May and buying July, while terminal interests continued to take the May and sell July at the spread of about 3 cents.

There was a certain amount of short covering by those who have been waiting for the liquidation in May to run its course, and a few bulls were taking on more wheat. A little export business was worked overnight—seaboard estimating about 1,500,000 bushels, at 500,000 bushels, mostly Manitoba, but there was very little evidence of the business in this market.

There was very little doing in the cash market, but there was a fair inquiry from shippers for No. 3 northern and lower grades. Spreads were unchanged except No. 2 and 3 northern, which were 1/4 higher, which was simply a carrying charge adjustment. Durums were stronger, there being one or two buyers in the market. Serious congestion at Eastern ports is holding up lake shipments temporarily.

Futures market held within a narrow range, but turned strong in the last fifteen minutes in sympathy with Chicago, which advanced 2 cents from the day's low, shorts being forced to cover.

Weather in Western Canada mostly clear with some rains in southern Alberta. Private crop reports on United States conditions will be issued Thursday morning at 10 o'clock. Liverpool closed 1/4 to 1/2 higher, but not as strong as earlier in the day. Look for a firm market for a day or two, but advise bulge sales.

Coarse grains: There was not much feature going on in these markets, which was more of an evening up proposition. Cash oats were heavy with a very poor demand, but barley was steady with spreads about unchanged. Rye was more or less influenced by the strength in wheat. Oats closed 1/4 higher to 1/2 lower, barely 1/2 lower to 1/2 higher and rye 1/4 to 1/2 up.

Flax: No feature, some selling of May against purchases July.

## NEWFORD STOCK SOARS 100 POINTS MORE TO HIT 60

Montreal, April 30 (By E.C. Bond).—The New Ford Motor stock was again the bull feature of the Canadian markets to-day.

After reaching 58 yesterday, the stock opened at 62 this morning and reached a high of 68 during the day on the Toronto exchange.

By crossing the 60 mark before the opening to-day, the stock doubled the issue price of 30, at which it was put out about the middle of the month.

Subscribers to the new issues of the Ford Motor Company of Canada have now received their allotment notices. While no official announcement has been made, it is apparent that the allotment ranged from one to nine shares, with the latter figure the largest to any one individual subscriber.

Small subscribers were given the best allotment. A subscriber for five shares received ten shares, while an order for ten shares received three, for twenty-five shares and so on until the peak of nine was reached. Many persons wanted from 100 to 1,000 shares, but had to be content with ten.

The date market showed very little change to-day, but there appeared to be a good demand on the dips, which steadied the market. The cash demand was good and sales were 100,000 bushels. Receipts continue extremely small. We think it would take big receipts to make much of a decline in the price of the grain.

Rye was firm in the late trade. Deliveries are expected to be heavy, but will probably be taken. Rye looks like a purchase for the week.
